

Greetings,

This is a friendly reminder that Ann Arbor residents have a responsibility to keep the sidewalks adjacent to their property clear of snow and ice.

I walk this way every day and would appreciate it if you kept your sidewalk clear for my safety and that of other walkers who pass by.

Section 4:60 of the City Code details your responsibility. Sections 4:61 – 4:63 specify the penalties for non-compliance.

I hope you will find the time to clear your sidewalks. Failing that, I will be forced to notify the City of the violation.
