---

### **Project Updates**

Bicycle infrastructure survey - approve spending <= 35 on boosting the survey post on social media. Closing the survey March 31st giving us a month to post refined results during bike month.

Tabled discussion & vote on bylaw changes

Outreach updates - google doc created to organize WCBN radio commercial efforts and T-shirt designs. Set up interview with Kevin Spangler of Boober tours, the Ann arbor Bike business.

Establish website roles, board officers, annual report and corporate registration

---

### **Bike Business**

May Bike month plans - What has WBWC done in the past?

---

### **Meeting Updates**

Ypsilanti and Ann Arbor both have forthcoming micro-mobility reports (shared mobility ordinance) coming in April to address bike and scooter share efforts.

\* [Fairbanks, AK](#) has implemented an interesting low impact bike share

City council resolution to amend crosswalk language,  
does the vehicle code already require that cars must stop/yield for pedestrians in crosswalk?

---

### **Public Comment**

Kathy Griswold asked about WBWC support of crosswalk language amendment

Ken Clark provided some insights regarding the survey results and questions for implementation into version 2.0 - Color choice and language of Cyclist type.

---

### **New business/meeting evaluation**

Build in public comment time, potentially after treasurer's report?

---

### **Adjourn**
